THE JUDGES HIGHLIGHTED

- Clear strategy that is built from their shared history and clearly understood across the organisation. This has been maintained while undertaking the complex process of finalising their Treaty claim and looking to establish their PSGE.
- Governance and farm staff all from Whakatōhea with a clear understanding of each other's roles and the roles of governance and management.
- Have undertaken a range of major infrastructure activities on-farm to reduce their environmental footprint and improve freshwater biodiversity outcomes including improving tuna abundance.
