

# Managing risk in share farming

**Federated Farmers invites new and existing contract milkers, share milkers and farm owners to events around the country this February.**

Learn how to navigate business and individual risks for both share farmers and farm owners.

Our industry experts will guide you through contractual changes, farm assessments, and how to build and maintain strong, enduring working relationships.

**Presentations from:**

- Federated Farmers – how to make calculated decisions about contracts
- DairyNZ – Dairybase & business planning calculators
- FMG – life, health & contractual insurances

**Don't miss this chance to grow your knowledge and connect with professionals in the field!**
