

Planting Day

and AGM

BYO Chair and Spade

Join us at Tessa's wetland for a community planting day focused on restoring habitat and supporting freshwater life. Come along for a morning of learning, planting, and connection, followed by lunch together.

Event Date:

**05.06.
2026**

at 9.30am

Schedule for the Day (approx. times)

9.30am: Catchment Group AGM or help get set up

A short AGM will be held for those who'd like to attend, but feel free to bring a cuppa tea and relax instead.

10am: Presentation from Īnanga expert

Kelly Hughes (freshwater ecology expert) will talk about Īnanga, their habitat needs, and the importance of wetlands for their life cycle.

11am: Planting

Time to get hands-on in the wetland and bring the planting plan to life.

1pm: Lunch and wrap up

A chance to relax, have a kai and catch up with others

Location:

Corner of
Waioatahe Valley
Back road and
east end of
Verrall Road
(look for the
flag)

In the event
of awful
weather,
event will be
postponed to
the **19th June**
