Don't miss this incredible opportunity to:

- Gain financial confidence and knowledge
- Network with like-minded women
- Invest in your future and achieve your financial goals and dreams.

### Speakers

#### Shelley Greer

Shelley will use real-life scenarios and examples to discuss strategies for successful asset planning. She will cover tips and tricks for dealing with farming family trusts, relationship property issues and proven succession planning tips in a rural context.

#### Maria Heslop and Steve Laurie

- **Actionable strategies:** Learn practical steps to plan for your financial goals, consider your options, and stay ahead of inflation
- **Know your risk:** Discover what makes farmers great investors and how to build a diversified portfolio that suits your risk appetite.

Lunch provided

**Registration essential.** To register visit [www.beeflambnz.com/events](http://www.beeflambnz.com/events) and search for this event or click on the link or scan the QR code.
