

# B+LNZ Manawatū Farming for Profit Field Day

**Thursday 26th February 2026 | 12.30pm - 5.30pm**  
**Erewhon Station, 1628 Taihape-Napier Road, Taihape**

Join us for an engaging afternoon on an iconic Taihape station where the focus will be on Erewhon's farming policies and what drives their performance.

Erewhon is 3,600 hectares (ha) effective and winters just over 11SU/ha. It is part of the much larger Rimau Farms Ltd group.

**Topics covered:**

- Breeding policies
- Cropping policies
- Maintaining pasture quality
- Tools used to monitor and drive performance
- Staff management and development.

Nadine Olsen, Ruminant and Forage Technical Services Manager from Nutritech, will also contribute technical insights during the day.

 4WD will be required for the farm tour

 The day will conclude with refreshments and a BBQ thanks to Iplex
