

Animal effluent

information sessions

Join the Otago Regional Council and industry experts in free dairy effluent information sessions in June held in Weston, Milton and Tapanui.

These sessions provide information about new animal effluent rules, with primary reference to dairy effluent systems.

ORC staff and industry experts will provide guidance and on-farm solutions.

We invite all dairy farmers, industry professionals and advisors to our meeting to join in the conversations.

Session locations and dates:

- **Weston:** 18 June, 1-3pm | Weston Community Hall, 20 Main Street
- **Milton:** 19 June, 1-3pm | Toko Rugby Club, Union Street
- **Tapanui:** 25 June, 1-3pm | West Otago Community Centre, 1 Suffolk street
